## NAQP CW Contest

By Bruce Horn, WA7BNM  
bhorn@hornucopia.com

Once again, the January edition of the NAQP CW Contest proved to be record setting. ZF2NT used his Caribbean location to his advantage on the high bands to take first place and set a new single-op record for total QSOs (1312), broke his old Cayman Islands record by more than 50 percent, and came within a few hundred points of the all-time single-op record. N6MJ, operating what turned out to be his last NAQP CW from W6KP's superb QTH before it was sold, was a strong second and set a new California record. N9RV was third, while N6ZZ set a new New Mexico record for fourth. W4PA was fifth, followed closely by K6LL with a new Arizona record. N2NC took seventh, while W7RN, operated by K5RC, set a new Nevada record and squeaked by fellow NCCC teammate, N6RO, for eighth. N3BB rounded out the top ten.

For those single-ops running QRP power, KG5U was the winner by a wide margin over second-place K7RE. WB8RTJ took third, while K3WWP squeaked by K7UP for fourth.

With a slight edge in both total Qs and mults, K5KA took first place in the multi-tube category and set a new record of 598,689 points. Old record-holder, W5NN, took second, while WE9V captured third.

Once again, the Southern California Contest Club #1 team used top-ten single-op finishes by two of its members to power to first place in the team competition by a comfortable margin over the second-place Tennessee Contest Group #1 team. With three team members having top-ten single op scores, but only four of its five team members submitting logs, the Northern California Contest Club #1 team captured third.

In addition to the new records noted above, N4AF broke his own North Carolina record, N5OT smashed his own Oklahoma record and N4OGW exceeded his own Mississippi record. K5GO captured the Arkansas record, while AA5AU broke the record for Louisiana. In the West, W7CT nudged the Utah record upward and KO7X almost doubled the old Wyoming record. WD0T broke his own South Dakota record, NP3A operated NP4Z's station to break NP4Z's Puerto Rico record, and N6KI once again operated XE2MX to a new Mexico record.

### Team Scores

1. SCCC #1		2. TCG #1		3. NCCC #1	
N6MJ	363,938	W4PA	314,550	ZF2NT	367,360
