bhorn@hornucopia.com

Operating from W6YI's Southern California station, N6MJ won the single-op category in the January edition of the NAQP CW. N6RO captured second from Northern California, while N9RV took third from his new Montana QTH. K0SR squeaked into fourth from Minnesota over fifth-place Nevada K5RC. K0EU was sixth from Colorado, followed by W9RE from Indiana. K6LL, K6LA and N4OGW completed the Top 10 from Arizona, California and Mississippi, respectively.

In the competitive single-op QRP category, KG5U in Texas placed first followed closely by KC5R in Louisiana and N2WN in Tennessee. Dedicated QRP contester KR2Q captured fourth from New Jersey with Georgian NA4BW in fifth.

Operating from Arkansas, the K5GO crew came out on top in one of the most competitive multi-two battles ever. New Mexico-based N2IC was second, followed closely by K5KA in Oklahoma. Fewer than 5000 points separated the first and third-place finishers in this category.

With three team members in the Top 10 single-op scores, the Southern California Contest Club #1 team won the team competition, with the Northern California Contest Club Team 1 and Society of Midwest Contesters #1 teams taking second and third, respectively.
