

# Results: North American QSO Party CW — January 2012

Wow! Good conditions and great participation resulted in a January 2012 NAQP CW with record breaking results. The Top Five Single Operator scores all broke the existing Single Op CW record, with N9RV taking first place from Montana. In addition to N9RV's new overall and Montana record, 10 other single-op records were set (see Table 1).

KL9A operated NK7U's Oregon superstation to a second place finish, while N5KO at W6NL placed third from California. N6MJ, operating W6YI's California station, was fourth, followed by N2IC in fifth from New Mexico. Pennsylvania's AA3B was sixth, New Jersey's N2NC at N2NT was seventh and Colorado's KØEU was eighth. K5WA and W9RE finished ninth and 10th from Texas and Indiana, respectively.

## Single Operator QRP

In the Single Operator QRP category,

W6JTI took first place from California, followed by KØOU from Missouri and K6UFO from California in second and third, respectively. N7IR and VA3DF rounded out the Top Five from Arizona and Ontario, respectively.

## Multi-Two

In the Multi-Two category, the K5GO operators took first place from Arkansas. WØDLE was second from Colorado, and NC4KW placed third from North Carolina.

## Team Competition

A whopping 83 teams took part in this running of the NAQP CW. Led by N2IC's fifth place finish in the Single Op category, the Arizona Outlaws Contest Club Bad Boys team took first place in the team competition. The Central Texas DX and Contest Club One team was second, followed by the Southern California Contest Club No. 1 team in third place.
