

Results, August 2005 NAQP CW Contest

Bruce Horn, WA7BNM
bhorn@hornucopia.com

Conditions favored operators in the eastern to Midwestern portions of the United States and Canada during the August 2005 edition of the NAQP CW contest. Unlike the January edition, no operators in the West made the top-ten single op list. W9RE took first place by a comfortable margin from his Indiana QTH. VE3EJ was second from Ontario with a less than thousand point lead over Tennessean N4ZZ. AA3B captured fourth from Pennsylvania, while another Tennessean, K4RO, took fifth by nipping K3WW by less than 50 points. K0RF took seventh as the furthest west station (Colorado) in the top ten. K0EJ, N3BB and N0AT captured the remaining places from Tennessee, Texas and Minnesota, respectively.

KG5U easily won the single-op QRP category from Texas by almost 10,000 points over second place VA3DF in Ontario. NA4BW took third from Georgia, while N6WG (California) and W8TM (Ohio) captured fourth and fifth.

In multi-two K5KA took first place from Oklahoma with W5NN close behind for second from Texas. W6YX was third from California.

The Tennessee Contest Group #1 team used top-ten single-op finishes by three of its members to take first place in the team competition by almost 100,000 points over the second-place Austin Powers Jalapenos team. The Contest Club Ontario Team 1 was close behind in third. It's unusual when no West Coast team is among the top-three teams.
