

Results: North American QSO Party, CW — August 2009

N4AF in North Carolina took first place in the Single Op category of the August 2009 edition of the NAQP CW. W9RE in Indiana was second, and K3WW in Pennsylvania placed third. W5CW operated K5CM's Oklahoma station for a fourth-place finish, while Florida's N4BP was fifth. AA3B in Pennsylvania was sixth, followed by N6RO — the only West Coast station in the Top 10. VE3EJ, N4GG and K4RO took the remaining Top 10 spots operating from Ontario,

Georgia and Tennessee, respectively.

In the Single Op QRP category, N2WN in Tennessee took the top spot, moving up from his second place finish in January 2009. VA3DF in Ontario was second, while AA4XX, NA4BW and K3AN captured third through fifth places from North Carolina, Georgia and South Carolina, respectively.

The K5GO Multi-Two operation repeated its January 2009 win in that category from

Arkansas. Texas's NR5M again took second, while NC4KW in North Carolina was number three.

Although it had only one member in the Top 10 Single Op scores, the Contest Club Ontario Team 1 won the team competition. The Tennessee Contest Group — Volunteers team edged the Society of Midwest Contesters #1 team for second place.
