

Results: North American QSO Party RTTY —February 2010

K15XP and W6YX continue to dominate the Single Operator and Multi-Two categories, with W6YX re-establishing the M2 record. Mark, K6UFO — one of the W6YX team members — made a very interesting presentation at the RTTY contesting forum in Dayton. He confirmed that there are no secrets to the success of W6YX, just planning and commitment. With all five members in the Top 10, SWACC #1 was the top-scoring team.

New state/province records were established by: N2WK (NY), AA3B (PA), KK5OQ (MS), NX5O (OK), W0YK (CA), K7SFN (NV), W7CT (UT), K9WX (IN), N9CK (WI), K0DU (CO), VA7ST (BC), VE4EAR (MB), VE9DX (NB), VY2SS (PEI), VE2SB (QC) and VE5MX (SK).

Many thanks to Bruce, WA7BNM, for handling the log checking, to ICOM America for sponsoring the plaques and, most of all, to the participants!
