

# Results: North American QSO Party RTTY — February 2016

*Editor's note: Due to an oversight, these February NAQP RTTY results should have appeared in the May/June issue. We apologize for any inconvenience.*

For the February 2016 running of the RTTY North American QSO Party, numerous participants noticed that 40 and 80 meter band conditions were very good, but 10 meters was essentially "absent." The top scorers were able to adjust by spending more time on the lower bands.

In the Single-Operator category, powerhouse Nevada station W7RN was piloted by Jeff, WK6I, to his fourth 1st place finish. He was closely followed by Stanford University's W6YX, helmed by Mike, N7MH, who set a new California record. In 3rd place was Ken, WØLSD, who had the most Single-Operator contacts but was unable to match the leaders' 35 or more multipliers.

There were several high scores out of California — by Ken, K6MR; Jim, K9YC, and Ron, N6IE — which helped Team NCCC#1 to win the Team competition. The Society of Midwest Contesters fielded nine teams. Well done!

In the QRP listings, Don, K6GHA, in California took 1st place, followed by Ron, KU7Y, in Nevada, and Rollin, N7RN, in Arizona.

Pierre, VYØERC, was our first-ever entry from Nunavut! Dennis, W1UE, operating remote to VY1AAA in Yukon Territory, set a new Yukon record. Scott, K7ZO, provided our first entry from Nicaragua as YN5Z. He had much better 10 meter band propagation than the US experienced, with more than 40 multipliers apiece on 10 and 15 meters.

"Texas-sized" NR5M led the Multioperator, Two-Transmitter category by a wide margin. NR5M had seven operators, all with 5s in their call signs, while 2nd place NØNI fielded seven operators, all with Øs in their call signs. A large number of multi-operator entrants are solo operators using assistance, which may make the contest more fun for them.

Thank you to our log-checking experts N6TR and WA7BNM, and to our awards sponsor Icom America.

## Soapbox:

The good news is only half the antenna is droopy. The bad news is the other half is

lying on the ground! — *KY4F*

A demonstration of RTTY for the Colonial Capital Chapter of PVRC. Seven ops took part. — *K4RC*

Cranking away having a great time! — *WC7Q*

I even got called by three DX and three AK stations. — *N1API*

Worked KL2R on two bands. AK normally hard from here. — *VE9DX*

No software, no experience, no clue what I was doing. — *N9RV*

I managed to work NR5M on all five bands and NØNI on four. — *VE7FO*

The keyboard locked up and continued to send my call sign and nothing else. — *W9VQ*

The usual 'issues,' some real, some imaginary. — *K6LRN*

I can cut through a small pile-up like a hot knife through butter. — *N5TIT*
