

# Results, July 1999 NAQP RTTY Contest

Ron Stailey, K5DJ  
k5dj@contesting.com

This year was the fourth running of the North American RTTY QSO Party. New records were set in all categories. All went well with the exception of the team competition. We only had ten teams compete again this year. I'm not sure why we can't get a greater amount of participation in this category. One team didn't send in a single log from any team members. I would be interested in any suggestions on what can be done to increase interest in this category for next year's contest. Please e-mail me directly: [k5dj@contesting.com](mailto:k5dj@contesting.com).

The RTTY NAQP contest is still growing. We had some 162 logs submitted this year with 35 from DX stations. Adding plaques for DX competition has helped to increase activity in this year's contest.

Conditions were not as good as we had hoped. There was still very little action on 10 meters.

## Single Operator Category

Entrants from the W5, W3, W7, W4, W6, W0 and P4 call areas all made it into the Top Ten. In the end it all came down to AA5AU, K3MM and WT4I turning in the high scores. The race for first and second place was very close.

After three previous years of second places, Don, AA5AU, became this year's king of the hill, setting a new record with 521 QSOs and 176 multipliers for a final score of 91,696.

Tyler, K3MM, finished second with 525 QSOs and 172 multipliers, scoring 90,300 points—just 1,396 behind the leader. Bruce, WT4I, made a move towards the top of the box with a third place finish—up from fourth in the last two runnings. He gathered 458 QSOs, tied AA5AU's multiplier total, and turned in a score of 80,608—capturing third.

Again this year 20, 40 and 15 meters were the work horse bands. On 10 meters, WT4I had the highest number of QSOs with 62, P43P was second with 55, followed by K4QD with 31. It will be nice when 10 meters really gets going again, propagation was supposed to be good in July on 10 meters but the scores sure didn't bear that out!

On 15 meters, AA5AU managed the most QSOs with 143, both K3MM and K7WM had 117, and WT4I worked 116. On 20 meters, the QSO totals were spread out somewhat. K3MM had 189 while AA5AU collected 165—AF4Z had 154. Obviously good rate just wasn't to be had this year.

On 40 meters, K3MM narrowly grabbed

the lead with 129 QSOs, AA5AU had 128, while WT4I had 104. On 80 meters, K3MM again narrowly bested AA5AU's 62 QSO total. W1ZT collected 49.

## Multi/Two Category

The Multi/Two category really hasn't seemed to take off yet. We had only a couple more stations participating than last year. We still have high hopes that this category will grow to a much larger number of participants.

KH7R takes the Multi/Two Plaque with 512 QSOs and LT1F easily picked up the DX Multi/Two Plaque with 407 QSOs.

## Team Competition

Team competition was down by one team this year. Maybe it will help if we try to get teams started a little earlier next year. We shall see. We could discontinue team competition for the RTTY mode if there isn't any interest in it.

The Florida boys changed their name to "Tstormers" since thunderstorms have

blessed them for the last three years on the NAQP RTTY contest weekend. The Tstormers took top honors with a final score of 216,912.

Ye Old Smellers finished second with 195,937. Last year's champs, the Crown Royals, finished third with a score of 166,872. The Over 50 Bunch had fun this year and racked up a score of 161,509.

## Plaque Winners

This year's plaque winners were AA5AU, winning the Single Operator Plaque; P43P, the DX Single Operator Plaque; KH7R the Multi/Two Plaque and LT1F wins the DX Multi/Two Plaque. Best Name Plaque went to Ed, K4SB, for "Anonymouse." Congratulations to all the plaque winners!

## Soapbox

I suffered high SWR on 80 meters. Other than that I had a blast.—WA8RPK Managed to better my score from last year.

## Top Ten

| Call    | Score  | Qs  | Mults | 10    | 15     | 20     | 40     | 80    | Team      |
|---------|--------|-----|-------|-------|--------|--------|--------|-------|-----------|

| AB | VE6RAJ |
| BC | VA7CC  |

I had a ball.—N7GU WriteLog was fantastic! Nothing went wrong.—K6XT Great contest!—AA5AU Had a great time this year.—K7WM I only had time for 4 hours but had a good time.—K3NC Many wouldn't work DX stations, but this was my best score yet in NAQP RTTY 'test.—OH2LU I had a blast.—AA9RR I worked the NAQP for the first time and enjoyed it very much.—S58T Propagation was okay during the contest. Several strong signals from W6 and W7 on 15 and 20 meters all the time.—DL7RCK Thanks for the great

contest.—WA0SXV/5 Thanks for the effort you and the others have put in to make this a great contest.—K4GMH Great contest. I more than doubled my previous scores and I have participated since the inception of this contest.—K16DY/0 I'll sum up the contest in 3 words, FUN, FUN, FUN.—P34P Many thanks to you and the other sponsors of this wonderful and fun contest.—WB2UEF/4 Had a great time, very little action on 10 meters.—VA7CC Thanks again for taking on the task of being the log dude for this contest, as usual... HAD A BLAST.—W3SE Had a lot of

fun in the contest, was able to work some new States and Canadian provinces.—OE1KTS This is a real fun event.—KD4HXT Did not get to spend much time in NAQP but had fun anyway.—N4AN Had a great time, even though I wasn't able to operate as many hours as I would have liked.—W6ZL 15 and 20 produced a surprising number of EU stations.—WW7OR Only able to put a little more than 3 hours into this party.—K7ZO I was having a ball until my TNC died.—NH6XM It was nice to get 175 QSOs in the NAQP RTTY 'test.—PY2NY ■
