

# Results: July 2008 North American QSO Party RTTY

Shelby Summerville, K4WW

Charlie, KI5XP, once again played superstation W5WMMU to victory. Dean, KE0WO, used N0NI's fine station for a second-place finish. AA3B, AA5AU, and N4ZZ round out the top five. The team at W6YK (N6CCH, W6RK and N7MH) continued its domination of the M/2 category. SWACC (KI5XP, AA5AU, W7WW, AD6WL and W0HW) easily captured the team competition.

New state records were established — K1FWE in New Hampshire, AA3B in Pennsylvania, K4FX in North Carolina, KL7RA in Alaska, NX7F in Nevada and KE0WO in Iowa.

Congratulations to all, not just the top scorers. Without all of the "other" partici-

pants, those winning scores would not be possible.

Thanks to Icom America for its exclusive sponsorship of the NAQP RTTY plaque program, to Bruce, WA7BNM, for handling the log checking and — last but not least — to each participant.
