

Results: North American QSO Party RTTY — July 2015

There is always a chance of thunderstorms for the summer NAQP RTTY, and these can put cautious stations off the air at inconvenient times. Some participants are at their summer homes, on vacation, or out camping somewhere. All of these circumstances make the August NAQP RTTY a dynamic event, even before any consideration of propagation. The solar flux was 120 a week before the NAQP, but it was just 96 on contest day, so few contacts were made on 10 meters. Many ops made just one to get the multiplier credit. The 15 meter band was also variable, and many operators made more contacts on 80 than on 15. The other bands — 20 and 40 — provided solid conditions, even if they were a bit crowded.

Jeff Blaine, ACØC, led the highly competitive Single Operator category. Jeff has posted , on his website some interesting articles about his radio modifications and antennas (<http://ac0c.com>). The five operators at W2FU turned in a great performance — 1000+ QSOs —to win the Multioperator, Two-Transmitter category.

They also won this category in February 2014 using NU2F.

Team SWACC #1, with such familiar call signs as W4GKM, AA3B, WA5ZUP, K6LL, and K9OM, won the team competition. Bob Norin, W7YAQ, in Oregon led our QRP entrants. Bill Lifsey established the record for the Virgin Islands as NP2/AB3TM. Dave Lee, W6ZL, established the record for Fiji. Now *those* are summer vacations! Some other welcome participants were Alex, R7AB, the AA4YL/Ø expedition to Iowa, and the larger than usual number of W9 stations supporting the 10 teams registered by the Society of Midwest Contesters.

I'm predicting cold weather, snow, and a desire to be indoors will provide incentives to operate in our NAQP RTTY on February 27.

Thanks to N6TR and WA7BNM for producing our results, and to Icom America for supporting our awards.

Soapbox:

We had a lighting storm here, scared the dickens out of me. — *W4GKM*

I never seem to have much luck getting in the "right" 10 hours in a NAQP. This one was no exception. — *K8IA*

I picked up 8 multipliers in the last 20 minutes! — *N6IE*

Another fun Saturday...starting out with the DMC RTTY, then the NAQP. — *NS9I*

First time on RTTY, had fun. — *WC6H*

Minor technical issues were quickly followed by...lightning and heavy rain... — *WA7LNU*

First time entering in team competition. I got a late start like I normally do, as I am a professional procrastinator. — *KDØFW*

Note to self: "Never update software the day before the contest!" — *NR4C*

By midnight, my eyes would not stay open. In RTTY, I have to see the screen. — *NN4RB*

The weather was too nice, despite the tornado sirens. — *WE9V*

It worked fine the week before. — *K7LY*
