NAQP SSB Contest

By Bruce Horn, WA7BNM
bhorn@hornucopia.com

The West Coast was the place to be during the January NAQP SSB Contest with seven of the top-ten single-op scores. N6MJ, operating what would be his last NAQP from W6KP's station, beat his own all-time records for most points and most QSOs to take first place with 444,876 points. Until this contest, Dan had been the only single-op to break the 400,000-point barrier. However, K6LL added 95k points to his old Arizona record to become a member of the 400k club and take second, followed by K7RL with a new Washington record for third and 400k membership. N6RT operated W6EEN for fourth, K9PG was fifth and W7GG took sixth. K5CM, operated by W5AO, was seventh, with K4XS, W7EJ and W7WW finishing out the top ten.

In the single-op QRP power category, NA4BW took first place, followed closely by WA0VBW for second. KI0II, N8IE and WA4PGM were third through fifth, respectively.

As further evidence of the West Coast advantage in this edition of the contest, the crew at W6YX took first place from California in the multi-two category, with the guys at NK7U taking second from Oregon. Frequent winner, K9NS, was third from Illinois.

With four members with top-ten single-op scores, the Southern California Contest Club #1 team took first place in the team competition, even though only four of their five registered members submitted a log. Powered by two members in the top-ten, the Orygun Staight team was second (also with only four members submitting logs), and the Northern California Contest Club #1 team was third.

Other record-breaking performances included K1JB setting a new Maine record and W5WMU, K0UK and KT0R breaking their own Louisiana, Colorado and Minnesota records, respectively. 8P6SH established a first-time record with a strong effort from Barbados, and CO8TW set a first-time record for Cuba.

Top Ten Combined Single Operator Scores for January 2004 NAQPs

Dan, N6MJ, won the combined CW/SSB NAQP competition with his first place SSB and second place CW finishes. K6LL and K5RC took second and third places, respectively. Congratulations to all of these great ops!

Operator	CW Points	SSB Points	Total Points
N6MJ	500	495	995
