West Coast stations captured the top three single-op spots in the January 2007 NAQP SSB contest. N6KT operated W6NL to a comfortable first-place win over fellow Californian N6MJ, operating W6YI, with K7RL taking third from Washington. Consistent Top 10er W9RE was fourth from Indiana, and N4PN took fifth place from Georgia. K5OT operated W5KFT for a sixth-place finish from Texas, and K6LL was seventh from Arizona. N4ZZ, NN3W and K9GX rounded out the Top 10 from Tennessee, Maryland and Indiana, respectively.

W5GZ captured first place in the single-op QRP category from New Mexico, while VA3DF matched his NAQP CW result with a second-place showing from Ontario. N6WG, KR2Q and KG5U captured the remaining spots from California, New Jersey and Texas, respectively.

Unlike the CW contest, the SSB multi-two category was highly competitive, with the K9NS juggernaut taking first place from Illinois. The K5TR ops were second from Texas, followed by third-place W5WMU from Louisiana.

Powered by two Top 10 single-op finishers, the Southern California Contest Club #1 team dominated the team competition to take first place. Even though only four members of the Northern California Contest Club Team 1 submitted scores, it nonetheless finished in the second spot, ahead of the Tennessee Contest Group Cold Sweat Team.
