

January 2009 NAQP SSB Results

With both a QSO and multiplier advantage, N6MJ, operating W6YI's Southern California station, cruised into first place in the single op category of the January 2009 NAQP SSB. Duplicating his January 2008 performance, N6KT piloted W6NL's Northern California station into second. K5NZ won the battle of the Texans for third. Fellow Texans K5TR and NR5M took fourth and fifth, respectively. K0RH was sixth from Kansas, followed closely by W9RE in seventh from Indiana. K0UK, W5CW operating KK5I and W0BH took the remaining Top 10 places from Colorado, Oklahoma and Kansas, respectively.

In the single op QRP category, Minnesotan ND0C took first place, followed by VA3DF in Ontario. N6WG, KS4X and WD9FTZ completed the Top Five places from California, Tennessee and Ohio, respectively.

In a repeat of the January 2008 results, the W5WMU ops took first place from Louisiana in the multi-two category, followed by NX5M from Texas. California-based W6YX was third.

Having one member with a Top 10 single op score was sufficient for the Southern California Contest Club #1 team to take first place in the team competition. The Central Texas DX and Contest Club Phonies #1 were second followed by the Society of Midwest Contesters #1 in third.
