

# Results: North American QSO Party SSB — January 2012

To finish in the Top 10 of Single Operator scores in the January 2012 NAQP SSB, you pretty much needed to be either in the US West or Southeast. K5TR in Texas took first place, while W6YI, operated by N6MJ in California, came in second. K4AB in Alabama placed third, followed by K7RL from Washington in the fourth spot and N6KT, operated W6NL, in fifth from California. W5WMU placed sixth from Louisiana, KØDU in Colorado came in seventh, and K5RT took eighth place from Texas. N4PN and KØUK rounded out the Top 10 from Georgia and Colorado, respectively.

## QRP

In the Single Operator QRP category, W6YX, operated by K6UFO, in California took the top spot with nearly double the score of second-place finisher NDØC in Minnesota. VA3DF, W4UT and KS4X completed the Top Five from Ontario, Tennessee and Tennessee, respectively.

## Multi-Two

The NX5M ops came close to scoring 1 million points and broke the existing Multi-Two record to take first place from Texas, while WX3B was second from Maryland. WW4LL was third from Georgia.

## Team Competition

A total of 58 teams participated in this running of the NAQP phone. Even though they had no members among the Top 10 Single Operators, the Arizona Outlaws Contest Club Big Guns team won the team competition, while the Southern California Contest Club No. 1 team finished ahead of the Central Texas DX and Contest Club One team for second place.

## Records

In addition to NX5M's new Multi-Two overall record, N4PN set a new Single Op Georgia record of 281,822 points, while W5WMU set a new Louisiana record of 344,349 points.

## Top 10 Combined Single Operator Scores for January 2012 NAQPs

Dan, N6MJ, won the combined CW/SSB NAQP competition with his second place finish in SSB and fourth place in CW. K7RL and W5WMU took second and third, respectively. Congratulations to these great ops — many of whom regularly appear in the list of Top 10 combined Single Operator scores!

Operator	CW Points	SSB Points	Total Points
N6MJ	446	473	919
K7RL	315	455	770
W5WMU	226	447	673
