

# Results: North American QSO Party SSB — January 2014

Before writing this summary, I read through the soapbox comments in the submitted logs and on the 3830 website. The ones I really enjoyed came from individuals operating the NAQP for the first time or marking the NAQP as their first-ever contest. The NAQP can be an entry-level national event contest for “rookies,” to let them get familiar with the nuances of contesting and gain some experience, before moving on to bigger and more challenging events. In this regard, Dave, K4EET, pointed out that we all are ambassadors for radiosport and Amateur Radio. There are times when we need not worry so much about rate, as we help a challenged operator or even coach someone through some of their first contacts in the contest. This is how we grow.

## Team Participation

Team contesting is a very popular part of the NAQP. This event saw 85 teams check in, and about one-quarter of the Single-Operator participants were on a team. This is up from the last event, which had only 50 teams. Several questioned why a particular score did not show up in the team tally. Remember, team contesting is for Single-Op category entries only. If you are Single-Operator but used assistance, your log is classified as Multi-Two and no longer counts toward the team total. Another thing: All NAQP operating categories are either Low Power or QRP. If your log indicates high power, it's classified as a check log, and the score does not count for a team. Team captains should remind team members to make sure logs are submitted accurately, in order to maximize their teams' scores.

## Single-Operator

The Single-Operator category saw a significant jump in submitted logs from the January 2013 event — up from 550 entries to 785. The increased participation resulted in many new call signs showing up in the Top 10 box. Providing that rare Montana multiplier, Pat, N9RV, finished in the top spot. Finishing second was Mitch, K7RL, in Washington. The third-place finisher was Tom, N7MH, operating W7RN in Nevada. Finishing fourth from Florida was Bill, K4XS. In the fifth spot we had Ken, KØEU, in Colorado. The next five finishers include George, NR5M, in Texas; Tom, N6NF, from California; Bruce, AA5B, in New Mexico; Paul, N4PN, in Georgia, and Mike, W9RE, in Indiana.

## QRP

Trying something different George, K5TR, took the top spot in the QRP category from Texas. Coming in second was

Brian, N4OO, in Georgia. Third was Tim, KT8K, operating in Michigan. In the fourth position was Dick, KV8S, who provided the West Virginia multiplier. Rounding out the top five was Mike, N4CF, from Virginia.

## Multi-Two

Repeating in the top spot of the multi-two category was the team at NX5M in Texas. Finishing second was W4UH in Florida, operated by Peter, AI4QY, and Dan, W4UH. WX3B in Maryland finished in third place. Fourth place went to NE1C from Massachusetts. Closing out the top five was C6AEA from the Bahamas.

## Team Competition

Taking the top spot was the DFW Contest Group #1. Repeating in second place was NCCC #1. Third place went to the SECC #1 team. Arizona Outlaws Lizards finished fourth, followed by the GCG Team #1.

## Combined Score

Pat, N9RV, took the top spot in the combined-mode category, finishing first in the SSB event and fourth in the CW event. Second place went to Tom, N7MH, operating W7RN, with a second-place SSB finish and a third-place CW finish. Ken, KØEU, finished third, with a third-place SSB finish and a sixth-place CW finish. Fourth was Bruce, NR5M, finishing sixth in the SSB event and ninth in the CW event. Closing out the top five was Mike, W9RE, with his fifth-place SSB finish and a 14th-place CW finish.

## Plaque Winners

Pat, N9RV, earned the plaque in the Single-Operator category, sponsored by the South East Contest Club. Earning the Multi-Two plaque, sponsored by the Tennessee Contest Group, was the team at NX5M. Winning the combined score plaque was Pat, N9RV, sponsored by the Southern California Contest Club. Thanks to the sponsors for their continued support of our SSB plaque program as well as to Brian Maves, K9QQ, for handling the program.

## Log Checking Reports

Log checking reports are available upon e-mail request to [ssbnaqpmgr@ncjweb.com](mailto:ssbnaqpmgr@ncjweb.com). Include the call sign you used during the contest. I'll reply with the LCR within a few days.
