

Results: North American QSO Party SSB — January 2015

The North American QSO Party continues to grow in popularity, with nearly 50 more logs submitted in this January's event. The final count was 934 logs. Those new to contesting really appreciate the format. As its creators intended, it is a lot less intimidating and more friendly than jumping into some of the major contests for the first time. So, newbies get to learn — and even to make a few mistakes — in a more forgiving environment.

I receive many comments from newcomers who like the low power, unassisted category for single operators. They say it gives them a chance to learn how to work the pile-ups and even offers an opportunity

to try a little running. These new contesters are important for the growth of our activity and help to keep it fun for everyone. It's also terrific that veteran NAQP participants are willing help these beginners to learn.

It is interesting to see some DX stations participating in each event. This time JH5FTY made 45 contacts from Japan. W1NN made it into a few logs by taking advantage of remote operating technology to operate from Ohio via Japan. On the other side of remote contesting K7ZO and K7MK did a remote multi-single using the NK7U remote site.

Single-Operator

In the Single-Operator category Pat, N9RV repeated in the top spot from the previous January. Pat was one of several Montana stations on the air for this contest. In second place from Colorado was Randy, KØEU. Setting a new personal best score, Randy moved up two spots from last January by focusing on keeping up his rate. Moving up four spots from last January to finish third was Tom, N6NF, in California. Also in California and finishing fourth was Rich, N6KT, operating W6NL. Rounding out the top five was Mitch, K7RL, in Washington.

Finishing out the Top 10 were Steve, N2IC, in New Mexico; George, K5TR, and George NR5M, both in Texas; Mike, W9RE, in Indiana; and Allan, K6SRZ, operating W6PZ in California. It was interesting to see the only station east of the Mississippi in the Top 10 was W9RE. The western half of the country had the advantage in this contest.

QRP

In the QRP category Mark, K6UFO, finished first operating NN7SS in Washington. Following in second place was Dennis, WA8ZBT, in Texas. In third was Brad, AK8H, in Ohio. Fourth was Ron, W4UT, in Tennessee, while CJ, WT2P, operating from Illinois, placed fifth.

Multioperator, Two Transmitter (M2)

The perennial winner of the M2 category is the team at NX5M in Texas. New to the second position was the group at WW4LL in Georgia. Following in third was K2PO in Oregon.

Team Competition

There were 75 team entries this time. The top team in the January NAQP SSB was NCCC #1, consisting of W6NY, W6YX,

Total	796,681

3. GMCC Gold Miners

KØEU	348,445
KØUK	211,968
N7MZV	123,367
KFØUR	72,750
NØOJ	14,632
Total	771,162

AE6Y, N6ZFO, and W7RN. The second-place team of NR5M, N5DO, NT5V, and AD5XV was DFWCG Bobtail. Finishing in third was GMCC Gold Miners, with KØEU, KØUK, N7MZV, KFØUR, and NØOJ.

Combined Score

Pat, N9RV, earned the combined score title by winning both the CW and SSB Single-Operator categories. Finishing second was Steve, N2IC, who finished second in the CW event and sixth in the SSB event. Randy, KØEU, took third on the strength of his respective fourth and third-place finishes.

Plaque Winners

By winning both the CW and SSB events this time, Pat, N9RV, earned three plaques — CW Single-Op, sponsored by Florida Contest Group; SSB Single-Op, sponsored by South East Contest Club, and Combined CW/SSB Single-Op sponsored by Southern California Contest Club. The SSB Multiop Plaque, sponsored by Tennessee Contest Group, went to the group operating NX5M. Thank you to the contest clubs sponsoring our plaque program.

Final Comments

While the results provide recognition to the operators earning the top scores I want to thank everyone for their participation. Everyone is important in making this contest a success and enjoyable for all participants.

To help make your experience even better it is important to turn in your logs, no matter how few stations you worked. Your logs help to make our log checking better, and they give you proper recognition by getting your call sign and score in print.

See you in the August NAQP!
