

Preliminary Results: North American Sprint CW —
September 2020 — Boring Amateur Radio Club

(These are preliminary results based on the first complete output from log checking and include the winners in all the major categories and overlays. After the preliminary results are published, a full version of the results will follow with expanded coverage and any corrections to the preliminary scores. The goal of preliminary results is to give a full picture of the submitted scores with all logs included as quickly as possible, recognizing that additional analysis and review might discover necessary changes. - Editor)

Category Winners		
High Power (HP)	Trey Garlough, N5KO	15,036
Low Power (LP)	Randy Martin, KØEU	11,997
QRP	Bob Norin, W7YAQ	4,181
12 Band Changes or Less	Dan Craig, N6MJ	14,364
Top Golden Log (no errors)	Marko Myllymaki, N5ZO	312 QSOs
Top Team	Team Hiram (N2IC, NO3M, N2NT, N2NL, and K4RO)	71,184

We had 183 entries submitted — that’s a bit of an uptick above Feb 2020’s 169 logs (8%) and a very big jump from the 125 logs received for the Sep 2019 edition. Welcome to all of the new Sprinters – hope to see you in February and if you had fun, tell a friend! Increased activity has been noticeable in many contests for several months as folks stay home and spend more time on the radio. More QSOs makes for more fun for everyone. (Highlighted scores were posted incorrectly – your editor regrets the error!)

BREAKING NEWS — the 2021 February CW Sprint and March RTTY Sprint will start ONE HOUR EARLIER at 2300 UTC. September times are UNCHANGED. This will start the contest before 20 meters is closed on the East Coast. The contest duration will still be 4 hours — ending at 0259 UTC instead of the usual 0359 UTC. This is a temporary change to see if band activity is more balanced with an earlier start time and evaluate whether to keep that starting time after the contests.

Watch for N3BB’s complete results writeup after all scores are declared final and Jim has had a chance to sort through comments and comparisons. In the meantime, thanks for your participation and good luck in the upcoming fall and winter contests.
