Teams

In the team competition, Dead Lizards CAN Talk picked up another win over second place Northern California Contest Club #1. Third and fourth place teams were Southern California Contest Club and Team SO1R.

The September 2003 North American Phone Sprint will be held at 0000Z on September 14 (September 13 local time). Get on and join the fun!

Soapbox

I'm not normally a big fan of Phone Sprints, but this one was very enjoyable.—AE6Y. Thanks to George, K5TR, for the use of his station.—WM5R. Tried *Writelog* for the first time ... thanks for everyone's patience—K6EY. Found it difficult to talk fast and type at the same time.—K6OWL. Sprint is a very

challenging contest!—K6ZCL. Very strange aurora-sounding signals from Washington on 40M. Just a part time effort.—K7RAT (N6TR). QRP in a Phone Sprint. Whew!—K7RI (K7SS). Small tribute to the crew of *Columbia* ... of which 3 were amateurs.—K9NW. Thanks to Jerry (WB9Z) and Lori for letting me play.—K9PG. Wow! That was fun.—K9ZF. QRP is a backwards acronym for "Please Repeat QSO Info"—KC5R. Our thoughts and prayers are with you, Mark (AG9A).—KG9N. Seemed to be a lack of East Coast guys. Don't you guys like Sprint?—K19A (Us East Coast guys do get on and beam Europe. Isn't that what you are suppose to do in a contest?—Ed). Even though I avoid SSB contests, I got into this one for the club. Worked a few then drank beer, watched TV and then worked some more.—KJ9C. Sprint is a blast!—KT0R. I got on to give out the lowa multiplier. It seems like lowa isn't very well

represented in the Sprints.—N0AC (Now that is an understatement. Please come back.—Ed). Missed 1.5 hours when tenant called with a broken front door knob. What timing.—N4VI. Off times were up on the tower switching coax.—N9JIM. My first sprint. Wow! What a pace!—NK1N. K9PG sent me an e-mail to encourage me to operate. It worked. Sprinters are a unique bunch and I think some of contesting's best ops. I'll try to get on more and give out the MB mult in both modes.—VE4GV (Please!—Ed). Most signals were weak and watery.—VY1JA. I found the SSB Sprint to be extremely therapeutic. There is something about desperately shouting into a microphone, and contributing to the chaos, that really appeals to me. I felt much better after the Sprint!—N6DE. First hour had no power to the QTH, used a generator.—WD0T (at KD0S)
