

**Preliminary Results: North American Sprint CW –
September 2024 – Boring Amateur Radio Club**

(This is the preliminary results which are based on the first complete output from log checking and includes the winners in all the major categories and overlays. After the preliminary results are published, a full version of the results will follow with expanded coverage and any corrections to the preliminary scores. The goal of preliminary results is to give a full picture of the submitted scores with all logs included as quickly as possible, recognizing that additional analysis and review might discover necessary changes. - Editor)

Category Winners		
High Power	Andy Blank, N2NT	15,400
Low Power	Randy Martin, KØEU	12,690
QRP	Al Rousseau, W1FJ	7,011
12 Band Changes or Less	Ralph Bowen, N5RZ	13,754
Top Golden Log (no errors)	Mike Wetzel, W9RE	319 QSOs
Top Team	Northern California Contest Club	63,694

Conditions were pretty good, but participation (131 logs) was down from last year (161 logs). The top multiplier count fell, too, to 50. Nevertheless, as in every contest, there are bright spots and the brightest was that not only did W9RE have the highest number of QSOs (319) — they were all flawless, too — congratulations on the Golden Log, Mike!
