

# Results: August 2002 NAQP CW Contest

Bob Selbrede, K6ZZ

Activity is typically much lower in the summer NAQPs and the August 2002 contests were no exception. Lower summer time activity combined with declining band conditions takes its toll on the Top Ten Score Box! Scott, W4PA wound up on top of the pack this time with a decent lead over Dave, N2NL. Finishing number 3, by less than a one QSO difference, was Bill, W4AN.

There were only four Multi-Two entries this time with K5KA edging out W5NN and N0NI for the top spot. It is nice to see the "M2 regulars" always plugging away in each of the contests. The Top Combined Score went to Don, K4WX. Don had found his way into the top spot many times as N4ZZ. Dan, N6MJ a previous winner and Tom, N6NF picked up the number 2 and 3 spots behind Don. The SSB scores tended to dominate the placement of the Top Combined Single Operators this time around.

The Team competition continues to be very popular with 43 pre-registered teams. Taking top honors again was Team #1 from the Tennessee Contest Group. Great job as always guys. Close behind in the number two spot was a team from the Southern States Sprint Coalition, more frequently known as the South East

Contest Club. Frequent winners in the past, the Southern California Contest Club, picked up the number three spot.

Well, that's a wrap for this issue of the NAQP Report. Be sure to check the NCJ Web site for updates to the NAQP Rules and other information such as NAQP Records and past NAQP Results. Bruce, WA7BNM has done a great job of de-

veloping the Web Site and filling it with useful information. I would also like to thank Bruce for checking the logs for the

August 2002 running of the NAQP CW Contest. It's a big task. Hope to work you all in the next NAQP.
