

Results: North American QSO Party RTTY — February 2015

A cold and snowy winter kept RTTY operators indoors for the February 2015 North American QSO Party. Our top Single-Operator was Jeff, WK6I, at the fabulous W7RN station in Nevada. Our top QRP operator was Ben, KR6E, returning to contesting after many years away. Welcome back!

The Multioperator, Two Transmitter category is always a ruckus, and NØNI in Iowa led the pack with an impressive 1,300 QSOs and 240 Multipliers.

In Team competition, SWACC#1 returned to the top position, pursued by NCCC#1, and SMC Star Trek: Live Long and Prosper. The Society of Midwest Contesters fielded a Star Fleet of 10 teams! Interesting call signs were 4U1WB, FP/KV1J, KG4HF, and a rich trove of VEs. Decoders were kept busy separating W2GN from W2GR (both in New York), K9GY

from K9PY (both in Illinois) and KR6E from KR6N (both in California). New records were set in seven states, three provinces, and five DXCC entities. Thanks to N6TR and WA7BNM for producing our results, and to Icom America for sponsoring our award plaques.

See you again in NAQP RTTY on July 18, 2015!

Soapbox

It was fun to get on and see lots of Spocks! Sadly, the Romulans attacked my K3. — WØMU

I thought I could fix the problems without stopping. — K9CT

Using the building gutters for 80 meters. — AB8M

It was great seeing K9MUG's call printed once again, thanks to the W4HOD club. — WW4LL

It was a bit of a hassle having to go out into the cold to adjust the antenna for new bands. — ND3N

I keep telling Scotty to beam me down to 80 meters, but the Ferengi had bartered away the capacitors in the antenna matching network. — KTØDX

My relief to see the 20 meter RTTY band was still full of signals at 0430Z was short-lived, when I discovered that everyone was calling 3GØZC. — W6YX (N7MH)
