

There were a lot of pre-contest suggestions about checking 10 meters "on the hour" and 15 meters "on the half hour". Post-contest comments indicate that once either band was "checked," conditions made it difficult to leave. It's almost difficult to explain how much more fun having favorable conditions on 10 and 15 meters adds to the contest.

Once again Charlie Morrison, KI5XP, operated — without peer — the W5WMMU superstation to another winning score of 146,306. Dave Ranney, KT0R, although finishing with one more multiplier than KI5XP, could not overcome the 137 QSO deficit, finishing second with 120,768 points. Multipliers were the difference between KT0R and Nick Smith, W4GKM, as Nick had eight more QSOs, but fell 10 short on multipliers. Steve Franzen, N9CK, at 114,390 and Jeff Rymer, KE9S, at 113,094 round out the top five.

Sixteen State/Province records were established: Tom Homewood, W8BAR (operated by W1TO), Massachusetts; Paul Whitman, KC2NMZ, New Jersey; Robert Johnson, K3MQ, Delaware; Joe Trench, AA3B, Pennsylvania; Shelby Summerville, K4WW, Kentucky; Joe Wheeler, Jr, K4HMB, North Carolina; Nick Smith, W4GKM, Tennessee; Jose Castillo, N4BAA, Virginia; Earl Smith, N5ZM, Arkansas; Charlie Morrison, KI5XP, Louisiana; Jim Callow, K8IR, Michigan; Steve Franzen, N9CK, Wisconsin; Steve Sawyer, KT0DX, Colorado; Dave Ranney, KT0R, Minnesota; Jim Wennblom, K0HW, South Dakota, and Bud Mortenson, VA7ST, British Columbia.

The Stanford Amateur Radio Club team, W6YX (Mark Aaker, K6UFO; Everett Palmer III, KG6RYB; Dean Wood, N6DE; Michael Heideman, N7MH; Tom Berson, ND2T, and Risto Kotalampi, W6RK), again established themselves as the "one to beat" in M/2 with a score of 166,460. The W6YX QSO and multiplier totals (812/205) easily outdistanced the KB1JZU team (Bob Montemerlo, KB1JZU; Charlie Cayen, KT1I; Gordon LaPoint, N1MGO, and Bill Leger, N1UZ).

The TCG Diddles team (Nick Smith, W4GKM; Don Binkley, N4ZZ; Jim Hall, AD4EB; Kenny Young, AB4GG, and Howard Wright, WA4OSD) broke the "stranglehold" that the Southwest Arizona Contest Club (SWACC) team (Charlie Morrison, KI5XP; Mark Mandelkern, K5AM; Dave Hachadorian, K6LL; Micheal Matlock, K7WM, and Charles Anderson, KK5OQ) has had on the team competition.

DX scoring was led by Mohamed Kharbouche, CN8KD, operating as 5F50KD, with a score of 13,065 points.

NAQP RTTY, there will be a "recognition" list of Single Operator, Single Radio. This information will be taken from the 3830 score-posting site, which can be found at www.hornucopia.com/3830score/.

I encourage all participants to post their score there, and also at www.ncjweb.com/naqplgsubmit.php.

Using this log submission utility will give you instant confirmation that your log has been received, and will lessen the workload of Bruce Horn, WA7BNM, the NAQP log checker.

Many thanks to all the participants, to Bruce for the log checking and to ICOM America for so graciously sponsoring the plaque program.
