

# Results: North American QSO Party, RTTY—July 2010

As witnessed by many commenters, conditions for the July 2010 running of the NAQP RTTY left something to be desired. Weather, in a lot of areas, affected many, including yours truly. Both band *and* weather conditions probably cost me another 50 to 75 contacts. Others may have lost many more. I can't remember ever having to ask for so many repeats! Probably the most enjoyable "highlight" was that nine percent of my contacts were with stations I had never before worked on RTTY. This surely is evidence of the continued growth of RTTY contesting.

This time around, K5GA, operating at NR5M, replaced perennial winner K15XP at the top. Charlie lamented, "Getting married changes contesting!" The crew at W6YX continued their dominance of the M2 category. Louisiana Contest Club is the Team winner. *Congratulations to all!*

As this will be my last column as NAQP RTTY manager, I'd like to extend my gratitude to several parties: First and foremost, to ICOM America for sponsor-

ing the plaque program, to Bruce Horn, WA7BNM, for handling the log checking; to current *NCJ* Editor Al Dewey, KØAD, and to his predecessors for their understanding and assistance, and last but certainly not least, to each and every participant. Without participation, RTTY contesting would not be growing as it is. Mark Aaker, K6UFO, will assume the position of NAQP RTTY manager effective with the February 2011 running.
