

Results: North American QSO Party SSB —January 2010

K7RL's superior QSO and multiplier totals propelled him to first place from Washington in the Single Op category of the January 2010 North American QSO Party SSB. NR5M was second from Texas, while N6MJ operated W6YI's California station for third. KØDU was fourth from Colorado, followed by WM5R operating K5TR for fifth from Texas. W5CW was sixth from Oklahoma, while N7MH operated Stanford University's W6YX in California for seventh. NØQO, N4PN and N6ML at N6RO were eighth through 10th, respectively, from Colorado, Georgia and California.

Georgia's NA4BW left the competition behind to take first place in the Single Op QRP category. KT8K, WF4U, NVØU and N2WN were second through fifth, respectively, from Michigan, Utah, Missouri and Tennessee.

The NX5M ops easily outdistanced the competition for first place in the Multi-Two category from Texas. W5WMU and N5DX were second and third, respectively, from Louisiana and Arkansas.

The Southeast Contest Club #1 team, with one Top 10 Single Op member, was first in the team competition. The Arizona Outlaws Team 1 was second, closely followed by the Northern California Contest Team 1 in third.
