

# Results, August 2001 NAQP SSB Contest

Bruce Horn, WA7BNM  
bhorn@hornucopia.com

As usual, the summer conditions of August did not produce record-setting scores, but many contesters had a great time participating in the August 2001 NAQP SSB Contest. N6RT piloted W6EEN's station to first with 232288 points. Unable to break the West Coast domination of first place in this contest, K4XS took second by 5k points over N6MJ. N6ED took fourth while operating K6NA. Once again finishing in the top ten, W5AO operated W5TM to round out the top five. K9PG driving K9XD's station finished sixth, while KB3AFT at K9RS finished seventh. K6IF nudged out N4ZZ for eighth place by less than 1000 points, while W6LD at W6YX finished out the top ten.

Many contesters had a great time participating in the August 2001 NAQP SSB Contest

The WJ1Z crew, operating from the northeast corner of the US, turned in the number one multi-two score. Following 27k points behind, NX5M took second, while W4WS took third.

Even though only three of its team members submitted logs, the Southern California Contest Club #1 team, with three top-five single-op finishers, took first place. The Society of Midwest Contesters #1 team took second, while the Tennessee Contest Group #1 team, with only 10k fewer points, took third. Once again both the SMC and TCG strongly supported the contest by each fielding six teams.
