

Preliminary Results: North American Sprint CW – September 2025 – Phil Koch K3UA

(These are the preliminary results, based on the first complete output from log checking, including the winners in all the major categories and overlays. A full version of the results will follow with expanded coverage, a complete set of Top Ten and other tables, and any corrections to the preliminary scores. The goal of preliminary results is to give a full picture of the submitted scores from all logs as quickly as possible, recognizing that additional analysis and review might discover necessary changes. - Editor)

Stay tuned for the full results including Top Ten tables and more in a couple of weeks.
