

February 2008 Results: North American Phone Sprint

Jim Stevens, K4MA
ssbsprint@ncjweb.com

Scores in the February 2008 Sprint declined from those submitted last September, as did the number of logs received — 78. We encourage all who operate to submit logs; it helps the log-checking process, and you get to see your call sign in print!

The leaders worked about the same number of multipliers as last September. Some of the more unusual multipliers included Cuba, Dominican Republic, Guantanamo Bay, Mexico, St Kitts (thanks to KØEJ) and The Turks and Caicos.

High Power

Notching his second high-power win was Mike, W9RE. Mike cruised to victory by a healthy margin of 6 percent over fellow SMCer, Scott, KA9FOX. Mike had the most QSOs of anyone and just one fewer multiplier than the top multiplier gatherer. For third place, we head to Arizona and the station of Dave, K6LL. Fourth place takes us back to the Midwest, where Bob, KW8N, came out on top of the tightest race in the

HP Top 10 by finishing just 31 points ahead of the fifth-place finisher, Dan, W7WA.

Rounding out the Top 10 were, in order, K7RL, W6NL, K7SS, NX9T and W4NZ. Congratulations to KW8N for his 40th HP Top 10 finish and to W4NZ for his *first* HP Top 10.

Low Power

The low-power winner is very familiar with that crown. Dave, N5DO, picked up his fifth LP win, making him the all-time leader in that category. Second and third places were separated by 40 points, with Steve, NA4K, edging out Brian, NA4BW. An even closer finish happened between fourth and fifth places. When the dust settled, Ken, WØETT, was a mere 19 points ahead of Pat, WW9R. The rest of the Top 10, in order, were NTØF, WD9CIR, N7LOX, W4UDX, and KCØNOX.

QRP

We had just two QRP entries this time. KC5R picked up his second QRP win,

topping KC9ECI.

Golden Logs

Alan, KO7X, led the way on golden logs with 160 error-free QSOs. This was a bit ironic, since his call sign was the subject of frequent finger checks as "KØ7X." Log-checking reports are available upon e-mail request to ssbsprint@ncjweb.com.

Records

The only record was a first-time mark for V4 established by V44/KØEJ. The SSB Sprint records are on the NCJ Web site at www.ncjweb.com/ssbsprintrecords.php.

Teams

The Society of Midwest Contesters took top team honors. They were followed by the SCCC and the NCCC.
