

February 2009 Results: North American Phone Sprint

We received 78 logs for this running of the February 2009 phone Sprint. This is significantly down from last September but exactly the same number as February 2008. Scores also were down from September, primarily due to less activity and fewer available multipliers. Scores were about on par with a year ago February, however.

Some of the more unusual multipliers that were worked included Anguilla, The Bahamas, Cuba and Alberta (VE6). KA9-FOX was the only station to log the K5D Desecheo Island DXpedition, which does count as a multiplier in this event.

High Power

Winning for the second time in succession from his new Hawaii QTH was Bill, KH7XS. This was Bill's sixth high-power win moving him within one win of a tie for second most HP wins. Notching a personal best of second was W6NL, followed in third by perennial high scorer K7SS. Putting in a great showing from the Midwest for fourth place was W9RE. Rounding out the Top 10 were K6LL, NR5M, KA9FOX, K6LA, W0MU and N4OX. This was N4OX's first high-power Top 10 finish.

Low Power

Dave, N5DO, had been dominating the low-power category as of late. He picked up the "three-peat" with another LP win this February. That makes it five out of the last six. Finishing second was WW9R, followed in third by WB9CIR. Rounding out

the Top 10 in the LP category are WR1Q, ND6S, WA2RY, W6FB, W0ETT, KG6OJB and VE3RCN.

QRP

Winning QRP for the first time was K6III.

Golden Logs

There were a number of strong efforts with Golden Logs led by KO7X, one of most consistently accurate loggers around. As you might expect, his own call sign does tend to get busted a lot; the most

common mistake is substituting a zero for the O. The other top five Golden Logs belonged to NA4BW, N6AN, WD9CIR and WA2RY. All had more than 75 QSOs without any errors. If you want a copy of your log-checking report, please send an e-mail to ssbsprint@ncjweb.com.

Records

The only record was a first-time mark for Anguilla established by VP2E. You can view the SSB Sprint records on the *NCJ* Web site, www.ncjweb.com/ssbsprint-records.php.

Teams

Also posting the three-peat in the team competition was The Society of Midwest Contesters Team, which took the top team score. They were followed by NCCC Team 1, Southeast Sprint Coalition, GMCC KØZL Memorial Team and SCCC Team 1 in the Top 5.
